Variety of Machineguns on display including; **Tommy guns, MP5s, MACs, Grease Guns, M16s, BARs, MP44s, M60s, MG34s, Brens, 1919a4s, Jap MGs, Hotchkiss, Maxims**, and much more. This is your chance to find out more about Fully Automatic and any NFA (Class III) firearms that may interest you! We can show you how to get into Full Auto without breaking the bank. We will be providing information on how US Citizens can legally own these types of firearms and how to go about buying them.
