Events & Programs

MDTCA runs bimonthly Machinegun shoots for those who have passed a qualification test. The test is administered once monthly. Normal shoots are held at the 50 yard range and open to all types of machinegun. Bipod/Tripod machinegun shoots are held quarterly at the 100 yard range. MDTCA membership also allows you to participate in a wide range of shooting events sponsored at the AGC.

The AGC often hosts the national Thompson Collector's Association's annual Tommy gun show and shoot. This event brings in Tommy gun owners from all over the country. The Show is highlighted by a competitive match.

Other AGC Event Highlights:

Public Trap
Hunter Sight In / MD State Qualification
High Power Instructional Clinics
Juniors programs
Women-on-Target Instructional Clinic

Competitive Leagues:

The AGC has several competitive shooting leagues that are focused on specific shooting sports. Some of these leagues include:

- High Power Rifle
- Pistol
- Trap
- Juniors air rifle
- 4-H Trap shooting

Membership

MDTCA membership is open to anyone with an interest in Machineguns. In order to promote and ensure the safety of our facility each new member will be required to complete a range orientation and a Full Auto live fire qualification. Upon completion and payment of the \$25 MDTCA membership dues, the member will be issued a membership card. This will allow the member to purchase an AGC range badge. The price of a range badge is \$150.

Members who have purchased a range badge are entitled to use the AGC ranges and facilities on their own or as part of club events. Members are also entitled to bring guests to come shoot. However all fully automatic shooting is limited to MDTCA shoots or events and only to those that have past the qualification test. Range badges will entitle the member to use the range for one calendar year.

Who is the AGC?

The Associated Gun Clubs of Baltimore, Inc. (AGC) was formed on July 1, 1944 when a number of World War II veterans in the Baltimore, Maryland area began looking for a place to conduct recreational and competitive shooting. They organized with several other Baltimore area shooting clubs to form the "AGC".

Today the AGC is a not for profit corporation comprised of 28 individual member clubs. The Maryland Thompson Collector's Association is proud to be one of these clubs. The AGC is dedicated to offering the complete range of shooting events. Each club usually specializes in one or two specific types of shooting. Many people are even members of multiple AGC member clubs to take advantage of all the great events hosted at the AGC.

The mission of the AGC is to:

- Safely operate a shooting range facility that meets the needs of all shooting disciplines.
- Offer matches, programs, and events to encourage adult and youth participation in the shooting sports.
- Support, encourage, and actively promote the private ownership of firearms for all law abiding citizens.

Who is the MDTCA?

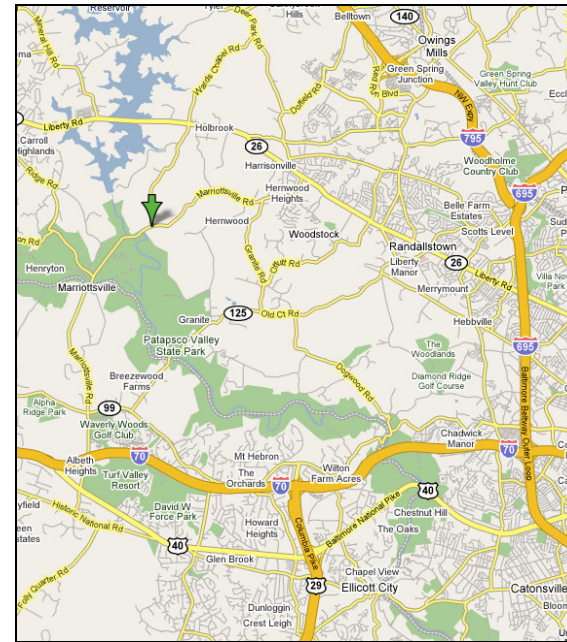

The Maryland Thompson Collector's Association was formed to be the machinegun club at the AGC. MDTCA is open to all machinegun owners and those interested in legally owned fully automatic firearms. MDTCA members own and shoot a wide variety of machineguns. From Macs to Maxims, you will see them all at our shooting events. MDTCA is charged with and supervises all use of fully automatic firearms at the AGC.

MDTCA is primarily a shooting rather than collecting club. Most members shoot their machineguns on a regular basis. Our members have a wealth of knowledge on the legalities involved in buying and owning fully automatic firearms. We can help you find a gun to buy, a dealer to buy it through and within your budget constraints. Our members are also very skilled at diagnosing and repairing machinegun related problems. Since we shoot as a club twice a month, you will quickly gain exposure to the most popular machineguns on the market.

Our membership includes young and old with new machinegun owners through advanced machinegun collectors. Many of our Machinegun owners invest in suppressors for their machineguns and are interested in the full range of NFA firearms.

Directions

Our Address:
11518 Marriottsville Rd
Marriottsville, MD 21104

From I-695 (Baltimore Beltway):

Take Exit 16, onto I-70 West
